Enter Username, Email and Password to Sign up

Click to create your account

The diagram illustrates a sign-up screen titled "Create Account". It features three input fields labeled "Username", "Email", and "Password". Below these fields are two buttons: a green "Create Account" button and an orange "Cancel" button. Annotations on the right side of the screen use arrows to point to the input fields and buttons, with text boxes explaining their function: "Enter Username, Email and Password to Sign up" points to the three input fields, and "Click to create your account" points to the green "Create Account" button.
